SPRINT1 : manage a tennis GAME within a set of a tennis match

User Story 1 :

As a tennis referee

I want to manage the score of a game of a set of a tennis match between 2 players with simple Game rules

In order to display the current Game score of each player

Rules details:

- *The game starts with a score of 0 point for each player*
- *Each time a player win a point, the Game score changes as follow:
0 -> 15 -> 30 -> 40-> Win game*

Example:

GAME SCORE								
	Start the game	Player 1 wins 1 point	Player 1 wins 1 point	Player 2 wins 1 point	Player 1 wins 1 point	Player 2 wins 1 point	Player 2 wins 1 point	Player 2 wins 1 point
Player 1	0	15	30	30	40	40	40	0
Player 2	0	0	0	15	15	30	40	0
								Player 2 win the game

User Story 2 :
